Join the millions of students who have taken the ACT. It's the leading college admissions test in the United States.

## Register at [act.org](https://act.org)

Registering for the ACT is more than just signing up for a test. The information you provide is used to make recommendations for majors and careers. Here's what you'll need:

- About 45 minutes to complete the registration process.
- A credit card or fee waiver.
- A laptop or desktop computer is preferred.
- Your high school course list and grades.
- Your interests - our interest survey will match you to academic programs and jobs you might enjoy.
- Up to four colleges and universities to send your score reports for free during registration (additional score reports can be purchased later).
- Your photo to upload during registration or later.

## Get Discovered

- Opt in to the ACT Educational Opportunity Service, which connects you with universities and financial aid institutions, based on your plans and interests.
- Access college scholarships. Academic scholarships are often awarded, in part, on your ACT scores.
- The ACT is accepted by all four-year US colleges and universities. Let your favorites know you are interested in them by sending your score reports.

## Accommodations & English Learner Supports

- During the registration process, you can indicate a need for accommodations and/or English learner supports.
- After registering, we'll email you instructions on how to work with your school to request your accommodations or supports.

## Be Ready for Test Day

- The ACT is based on what you learn in high school, but a variety of ACT test prep options are available to help you feel comfortable and confident on test day.
- Review what you can and cannot bring into the test room with you.

## Your Scores and More

- Most scores are available through your ACT account within 2 weeks after testing (or 5 weeks for the writing test) but can take up to 8 weeks from the testing date.
- Using information you provide during registration, the ACT score report gives you research-backed guidance about your needs, interests, and possible career options that you can share with colleges.
